Hello,

Please note our facilities are now closed due to a Covid-19 government advised lockdown. Emails are being monitored and will be responded to as soon as possible.

Please be aware, no manufacturing or shipping of orders will take place until the government has lifted the restrictions of the lockdown.

For any urgent matters, please contact Lisa Proctor on +44 (0) 7800 913967.

At present, Nottingham has the highest Covid-19 related death rate outside of London. As Moontown's facilities are situated in Nottinghamshire, we have made the difficult, but absolutely necessary decision to close the factory to ensure the safety of our staff and their families.

We apologise for any inconvenience, and thank you for your understanding at this difficult time.

Stay safe.

Kind regards,

Lisa Proctor
